

Learning Goal:

Why do people move locations?

Who has moved? Why?

Who knows someone that has moved? Why?

These are the reasons I think people move:

- bigger house / smaller
- unsafe location → ↑ neighb.
- closer to family
- close to hospital / conveniences
- jobs
- living conditions / resources
- weather

Please open browser to:

maps.google.ca

What factors would make
us move to...

- culture (food, things to do)
- near water
- landforms (mountains)
- animals / trees
- activities
- family
